

Thank you for visiting Your Vista Cay's website.

Your privacy is very important to us.

In an effort to protect your privacy, we provide this notice clarifying our online data practices.

Data We Collect

When submitting correspondence electronically, personal contact data is gathered. The types of personal data that may be collected at these pages include: name, address, e-mail address and telephone number.

How Your Data Is Used

We may use the data you provide about yourself to fulfill your requests for our vacation homes, and to respond to your inquiries.

We sometimes use this data to communicate with you, such as to contact you about reservation data.

We sometimes use the 'non-personal' data we collect to improve the design and content of our site and to enable us to personalize your Internet experience. We also may use this data cumulatively to analyze how our site is used.

Although we take the proper steps to prevent unauthorized breaches of data, we cannot assure you that personal data that we collect will never be used in a manner that is inconsistent with this Privacy Notice.

Your Privacy Options

If you prefer not to receive updates or promotional data from Your Vista Cay via mail or email, please contact us by email or the phone numbers listed below.

Your Vista Cay will not use or transfer personal data provided to us in ways dissimilar to those explained above without giving you an opportunity to opt out of these separate uses.

Collection of Data by Third-Party Websites

We will never willingly share your data with third parties.

Cookies

Although we don't use "cookies" to personally identify you, we may use cookies to understand site usage and to improve the content and offerings on our sites.

Cookies are text files that may be placed in your computer's browser to store your preferences. Cookies, alone, do not provide us with your e-mail address or other personal data.

Our Commitment to Security

We have put in place appropriate physical, electronic, and managerial procedures to guard against unauthorized access, maintain personal data security, and correctly use the data we collect online.
